

Organizational Memberships with Story Crossroads

Frequently Asked Questions

How can your members, employees, or volunteers benefit from having organizational membership through Story Crossroads? Story Crossroads has a full listing at storycrossroads.org/member that includes exclusive content and connections (articles, e-workbooks, Zoom hangouts), discounts with businesses, and reduced prices for Story Crossroads offerings like the upcoming Story Crossroads Academy with self-led tuition-based online storytelling courses.

How do we register our organization to be a Story Crossroads member? You can find registration at storycrossroads.org/member that is managed by Wild Apricot/AffiniPay. A contact person is required for registration. The activation is not official until payment is received. Offline and online payments are both accepted. Thus, you can invoice it and complete that day or soon after. We can also set-up your online payment through PayPal or Square/GPay. Otherwise, we accept a check written to "Story Crossroads" and mailed to PO Box 274, West Jordan, UT 84084. The activation day is based on the postmarked date.

What levels of membership are available for organizations? You have two options, depending on the number of employees/members/volunteers. For 1-100, the membership is \$100/year. For 101+ (unlimited), the membership is \$500/year. Choose the likely option for the year. If your membership increases to 101, you will wait until renewal time to reflect the change and then choose the unlimited option. If your membership decreases mid-year, you will still wait until renewal time to change your option.

How do we spread the word of the Story Crossroads memberships to our members/employees/volunteers? Our Member Library webpage, which requires a password, will be sent to you. You can share this password in your own password-protected page on your organization's website. Additionally, feel free to share the password with your members anytime to give them access to the exclusive Story Crossroads content and discount codes.

What if someone is already a paid individual member with Story Crossroads but then wants to take advantage of our organizational membership? Do you need proof that someone is connected to us? We are willing to issue refunds to individuals if they discover that their organization is a member of Story Crossroads. Those persons could choose to remain individual members and continue to receive the emails. We may reach out to you at this time to verify that they are current in their membership dues with you, if applicable.

How do renewals work? Renewals are automatic. If you log in to your profile through Wild Apricot, then you can stop payment. Your main contact will receive an email reminder two weeks and a day before this date. At times, you will need to update your debit/credit details when your older one expires.
